BEST Tuition Payment Plans 2023/2024

Financial Aid

BEST recognizes that the tuition rate may be unaffordable for some families and as such, offers financial aid. Financial aid is determined by a third-party who assigns an individualized tuition rate ranging from \$3,000 to \$10,000 for the 2023-2024 school year. The amount of financial aid awarded is based on documented need, and award amounts may vary annually, taking into account the number of qualifying families, their needs, and available funds. To be considered for financial aid, parents must apply on an annual basis. **Families who are receiving financial aid are required to pay via automatic bank withdrawal.**

Discounts

- Parents who choose to pay the full annual tuition amount of \$10,000 upfront will receive a 10% discount. Alternatively, if full tuition is paid twice a year, a 5% discount will be applied.

Withdrawal

In the event that extenuating circumstances require the withdrawal of a child from BEST, parents may initiate the process by notifying the school, completing and submitting an official withdrawal form, returning all school-owned materials, and remitting a \$200 withdrawal fee. Once the withdrawal process is completed, the child's records will be transferred to their new school.

*In the event of a failed payment of any kind, a returned payment fee of \$30 will be charged to the student's account.

* This list is representative of all fees charged as of January 1, 2023 and may be subject to addition, modification and/or change.
